

2025 Steward Memberships

RCG Overview

RCG is a 501(c)3 nonprofit organization whose mission is to provide infrastructure and resources to community members of all ages for growing produce in a setting that inspires camaraderie, learning, and sharing. The community garden is a one-half acre plot leased from the Town of Ridgway in Green Street Park. The RCG is led by a seven member Board of Directors (BOD) that oversees governance, administration, finances and garden operations. The garden is dedicated to serving the Ouray County community in areas that include education, organic agriculture, healthy living, community partnerships, pride, and ownership. Annually, we directly serve 90 adults and 30 children, grow produce for the Ouray County Food Pantry, support WIC families, and partner with local schools and nonprofits on service projects and programs.

Rental Memberships

Fifty low garden beds (4' x 10') and 4 waist-high beds (3' x 8') are available for rent for food production in 2025. These members pay a rental fee for each bed and are responsible for contributing at least 6 hrs. per season to cooperative garden maintenance via collective work sessions or independent tasks. These members get access to all garden tools and amenities as well as free educational workshops and various garden events.

Steward Memberships

This program extends RCG's membership base beyond active gardeners to broader participation by those who do not rent garden beds but want to participate in RCG's different programs and initiatives. These members can use amenities within the garden (except for compost), and have access to communal rhubarb, raspberries, and free educational workshops and events. Stewards are responsible for contributing at least 6 hrs./year to cooperative garden maintenance via special projects or collective work sessions. Stewards can join as an individual or family every year between March - July.

Member Coordinator, Dave Peterson: (303) 241-8222, dapetersonrd@gmail.com

President, Chris Lance: (970) 729-1738, chrissylance@gmail.com

Garden Use Guidelines

1. The garden area is open dawn until dusk, seven days a week. 8pm to 8am are quiet hours. Please be respectful of fellow gardeners and neighbors. Keep noise levels to a minimum.
2. The combination to the gate lock is **2-0-2-5**. Please lock it each time you leave if you are the last person in the garden. Do not give the combination to anyone not associated with

the garden. Always keep the gate closed even when you are inside to prevent wildlife and pets from coming in!

3. The garden should be a safe space for the community, children, and other gardeners. Do not bring anything that will compromise the safety of the garden.
4. Check the Information Kiosk for information concerning the garden, collective workdays, workshops, and notices.
5. The garden welcomes families. Please make sure children are supervised at all times. Teach them respect for others' gardening areas and teach them to conserve water. You are welcome to bring friends to help you work in the garden.
6. **Dogs are not allowed in the fenced-in garden area.** Leashed pets are allowed outside the fenced-in area. Please pick up after your pets.
7. **RCG is an organic, no-till, pesticide/herbicide-free garden.** Dispose of weeds and plant material in designated compost areas. Different care must be given to weeds with seeds - bag and pack them out.
8. Please clean and return garden tools to the tool shed when finished.
9. Please **CONSERVE WATER.** The RCG is committed to efficient water use, especially in seasons of drought, in order to reduce waste, lower water costs and minimize weed proliferation. Turn off faucets when not in use, do not use garden water for water play, report leaks to either Dave Peterson at (303) 241-8222, or Doug Unfug at (970) 778-2755.
10. The BOD has the duty of enforcing rules and making decisions for the garden. They have the authority to resolve conflicts, refuse access or dismiss members.
11. BOD reserves the right to use chemical agents to mitigate outbreaks that pose human health risks (ex. stinging insects in the storage shed). All applications will be noticed in advance.
12. The Garden does not pay for trash or recycling pickup, so **PLEASE PACK OUT ALL OF YOUR TRASH/RECYCLING.**
13. Help your visitors understand and follow the rules of the garden.

Steward Responsibilities

Garden Orientation	New stewards need to attend an in-person or virtual garden orientation tour. You can schedule with Chris Lance or Dave Peterson.
Stewardship Hours	Stewards should contribute at least 6 hrs./year to stewardship projects in the garden. These can be selected from the suggested list on the Sign-Up form on page 3, or organized with the Stewardship Coordinator.
Use	Stewards have access to the Kids' Area, tipi, all garden events, water and tools for garden maintenance.

2024 RIDGWAY COMMUNITY GARDEN STEWARDS SIGN-UP

Please complete this form and mail to the RCG at the address below.

1. ABOUT YOU

Name: _____

Address: _____

City/State/Zip: _____

Phone Number: _____ E-mail: _____

Number of stewards in family/group: # _____ adults and # _____ children.

2. STEWARDSHIP OPTIONS

Stewards are expected to contribute at least 6 hours of service per year.

Select a project you would like to assist with:

____ Compost: turn and build compost with coaching by Chris Lance

____ Storage Shed: keep the shed and surrounding area tidy and organized (monthly)

____ Driving Path: pull weeds and remove woodchip

____ Work Sessions: participate in collective work sessions

____ Other: miscellaneous projects can be coordinated with Chris Lance

3. SIGNATURE

I have read and understand my responsibilities and will follow the garden use guidelines as stated in this document.
